Presidential Election Impact on Aviation

Roanoke, Texas (November 29, 2016) – Aviation Search Group, a recruiting firm dedicated to the aviation industry, released a survey of over 300 top executives, within their network about the recent election results.

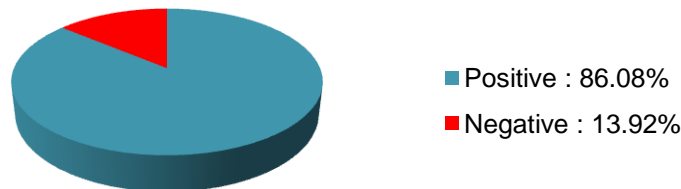

Jason Zelenak, a Managing Director for Aviation Search Group, said, “ASG can feel the enthusiasm, and decided to conduct a simple six-question, confidential survey to credit what we are seeing.” He added, “It’s saying something when 85% of executives surveyed feel the industry will be impacted positively.”

Brad Stemmler, General Manager for Aviation Search Group said, "We are finding ourselves providing recruiting consultation to brand new clients." He went on to say, “The positive energy throughout the industry is encouraging.”

In Summary:

- Executives from over 300 various aviation companies across various sectors were surveyed
- 86% feel the results of the recent election will have a positive impact on aviation as a whole
- 79% feel more jobs will be created within the aviation industry
